Bringing History to Life

Become a Living History School Docent

New Date!

Eight-week training starts

Wednesday, September 28, 2011

9:30 a.m. - 12:30 p.m.

Share local history with children! As a volunteer tour guide, you will take fourth-grade students on a journey back to the 19th century to learn about the Rancho through hands-on educational activities, chores and games.

This rewarding opportunity to inspire curiosity in children may be your greatest gift to the community.

For more information or to register for training, call (562) 570-1755.
